## EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

#### 1. RESOLUTION 1 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES – LISTING RULE 7.1

#### 1.1 General

On 28 March 2022, the Company announced that it had received firm commitments for a placement of 8,181,818 Shares at an issue price of \$0.33 per Share to raise \$2.7 million (**Placement Shares**) (**Placement**). Subject to Shareholder approval, Placement participants will receive one (1) free-attaching Option for every two (2) Placement Shares issued (**Placement Options**). Approval for the issue of the Placement Options is sought pursuant to Resolution 2 of this Notice.

The Company signed a mandate letter to engage the services of Canaccord Genuity (Australia) Limited (**Canaccord**) to manage the Placement. The Company has agreed to pay Canaccord a management fee of \$162,000 (excluding GST) (being, 6% of the amount raised under the issue of the Placement Shares).

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Placement Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

Resolution 1 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

#### 1.2 Technical information required by Listing Rule 14.1A

If Resolution 1 is passed, the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of

equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Resolution 1 is not passed, the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

#### 1.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 1:

- (a) the Placement Shares were issued to professional and sophisticated investors who are clients of Canaccord. The recipients were identified through a bookbuild process, which involved Canaccord seeking expressions of interest to participate in the capital raising from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
  - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
  - (ii) issued more than 1% of the issued capital of the Company;
- (c) 8,181,818 Placement Shares were issued and the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Placement Shares were issued on 4 April 2022;
- (e) the issue price was \$0.33 per Placement Share. The Company has not and will not receive any other consideration for the issue of the Placement Shares;
- (f) the purpose of the issue of the Placement Shares was to raise \$2.7 million, which will be applied towards accelerating exploration efforts as it moves into an exciting phase of works at the Company's main projects, being Belele, Innouendy and Dingo Pass; and
- (g) other than the mandate letter entered into with Canaccord, which is summarised in Section 1.1 above, the Placement Shares were not issued under an agreement.

### 2. **RESOLUTION 2 – APPROVAL TO ISSUE PLACEMENT OPTIONS**

#### 2.1 General

The Company is proposing to issue up to 4,090,909 Placement Options, free and attaching to the Placement Shares on a 1:2 basis. The issue of the Placement Options will not raise any funds.

As detailed in Section 1.1 above, the Company engaged the services of Canaccord to manage the Placement. The material terms of the engagement are summarised in that Section.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the Placement Options does not fit within any of the exceptions set out in Listing Rule 7.2. While the issue does not exceed the 15% limit in Listing Rule 7.1 and can therefore be made without breaching that rule, the Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder approval pursuant to Listing Rule 7.1 so that it does not use up any of its 15% placement capacity under Listing Rule 7.1.

#### 2.2 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Placement Options. In addition, the issue of the Placement Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 2 is not passed, the issue of the Placement Options can still proceed but it will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for 12 months following the issue.

Resolution 2 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Placement Options.

#### 2.3 Technical information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 2:

- (a) the Placement Options will be issued to the same professional and sophisticated investors who were issued the Placement Shares (refer to Section 1.3(a) above);
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients will be:
  - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and

- (ii) issued more than 1% of the issued capital of the Company;
- (c) the maximum number of Placement Options to be issued is 4,090,909. The terms and conditions of the Placement Options are set out in Schedule 1;
- (d) the Placement Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Placement Options will occur on the same date;
- (e) the issue price will be nil per Placement Option, as they are free and attaching to the Placement Shares. The Company will not receive any consideration for the issue of the Placement Options (other than in respect of funds received on exercise of the Options);
- (f) the purpose of the issue of the Placement Options is to attract participation in the Placement. No funds will be raised from the issue of the Placement Options. The Company intends to apply the funds raised from Placement for the purposes described in Section 1.3(f) above;
- (g) other than the mandate letter entered into with Canaccord, which is summarised in Section 1.1 above, the Placement Options were not issued under an agreement; and
- (h) the Placement Options are not being issued under, or to fund, a reverse takeover.
